The Content is not a substitute for advice from a professional who is aware of the facts and circumstances of your individual situation. We believe every woman deserves to feel vibrant and in control of her health; however, you should always consult your own physician or another qualified health provider before starting any new health or wellness program and with any questions you may have regarding a medical condition or health goals. Never disregard professional medical advice or delay in seeking it because of something you have read or heard through Powerful Wellness.
